

2025 Annual Report
University of Michigan Pathology Alumni Society (UMPAS)

USCAP March 2026 Meeting—San Antonio, Texas

Presented by Steven C. Smith, MD, PhD; President.

Thank the Department for sponsoring the reception and ask Dr. Parkos to present the state of the department.

1. Nominations for officers and board members positions:
 - a. The following nominees were placed before the general membership for acceptance at 2025 annual meeting.
 - b. Dr. William Perry, MD has been nominated for a board position replacing Laura Walter, MD.
 - c. Dr. Cynthia Cookingham has been nominated for the position of president elect.
 - d. Members present approved of the nominations.

2. Resident Award 2025
 - a. Mark Rudolf, MD, was presented with the M. R. Abell, MD, PhD, outstanding AP Resident award.
 - b. Michael Olp, MD was presented with the John G. Batsakis, M.D./Ronald H Nishiyama, M.D. outstanding CP Resident Award.
 - c. A certificate and honorarium of \$1000.00 was granted to each Resident.

3. The Financial position of the Society is very good for an organization of our size.

4. We have approximately 60 dues paying members in 2025, our goal for 2026 is to increase this number by 10 members with recruitment efforts concentrating on those residents and fellows who have completed their training in the past 10 years.

5. Other business or questions.
